*Proportionate to the available budget and the number of applicants, we will calculate the scholarship for applicants based on their score. Based on these factors, the value of 1 point will mean an amount of 1000, so the total score will be multiplied, thus receiving the amount of the scholarship (e.g. in the case of 25 points and the value of 1 point of HUF 3,000, the awarded scholarship is HUF 75,000).*
